**Neira Smajić**

***Psy. M.***

**Bosnia and Herzegovina**

Born in 1987 in Sarajevo, where she completed primary and secondary school, and in 2011 obtained a Master's degree in psychology at the University of Sarajevo. During her studies, she volunteered in numerous non-governmental organizations in order to gain new experiences and knowledge. Employed at the Institute for Addictive Diseases in Sarajevo since 2012, taking an active part in a complex program for the treatment of addicts. During her work, with additional education in psychotherapy, she acquired knowledge and skills in individual and group work with young people and minors, as well as those in adulthood and mature age with addiction problems and current treatments in the aforementioned field.
